Nelson Daly

London | nelson.daly@outlook.com
nelsond.tech

A conscientious and proactive professional, with strong communication and teamwork skills. Broad experience supporting senior leadership teams and working with all levels in a pressurized and often-changing Engineering environment. Adaptable to competing and ever-shifting priorities, instinctively approaching all challenges as opportunities.

Communication | Attention to Detail | Collaboration | Creativity | Adaptability

PERSONAL EXPERIENCE

Portfolio Project   **2022 - Present**

Developed a Single-Page Application in the style of a code editor, using Angular 13, TypeScript (JavaScript), CSS3 and HTML5. Application includes a preview section, showcasing further live projects created.
Utilized multiple frontend development features:
- **Angular 13** – Components, Services/Dependency Injections, Directives, Behaviour Subjects/Observables, Binding, Pipes, View Encapsulation, Routing/Location State, HTTP Client, HostListener
- **TypeScript** (JavaScript) – JSON, Arrays, Loops, Conditions, Interfaces, Object Encapsulation, setTimeout, toString, parseInt/Float, scrollIntoView
- **HTML5 / CSS3** – Flex, Grid, Custom Fonts, SVGs, Animations, Keyframes, Transforms, Transitions, Draggable Elements, Media Queries, Z-Indexes

PROFESSIONAL EXPERIENCE

Audio Engineer, Freelance   **2021 – Present**

Partnering with clients to achieve sonically cohesive productions, at industry-standard loudness levels.

Goldman Sachs   **2013 – 2021**

  Business Management Support   **2014 – 2021**

Assisted multiple regional and global Business Management teams, throughout the Engineering Division, with strategic projects, initiatives and ongoing business management activities. Served as the primary administrative contact for all regional staff within numerous Engineering Business Units.

  Advanced Level Apprentice Administrator   **2013 – 2014**

Supported the regional Engineering Business Management team with divisional projects and activities.

Administrative Assistant, Soup Dragon   **2012 – 2013**

Provided support to the Business Manager with general administration.
